

PayToMe.co Fintech Reimagined

Where Innovation Meets Global **Financial Empowerment** 🌟

WHO WE ARE

PayToMe.co stands as an award-winning FinTech Platform, offering integrated digital financial services and solutions across all channels. As a trusted platform and reseller partner of industry giants like **Plaid, Elavon, and Stripe Connect**, we pioneer Payment-as-a-Service (PaaS), Banking-as-a-Service (BaaS), and Software-as-a-Service (SaaS) solutions to a global clientele.

As a fully registered payment facilitator, we provide flexible technologies, customizable services, and scalable solutions to meet the unique needs of businesses. Our suite of technologies, including **digital invoicing, digital checkbook, text-to-pay, and merchant services**, empowers businesses to transform their payment systems and explore new revenue streams. With PayToMe.co, you'll get:

- **Robust and secure payment platform**
- **Seamless 24/7 customer support**
- **Integration with Plaid, Stripe, and Elavon**
- **Customizable services**
- **Scalable solutions**
- **Multi-currency support** for global transactions
- **100+ Digital Invoice Templates**
- **Innovative technologies**

OUR MISSION

Our vision transcends traditional banking, aiming to connect continents, empower small businesses, and revolutionize consumer transactions with unparalleled efficiency and convenience. We aspire to be the go-to platform that businesses and individuals rely on for **seamless, innovative, and comprehensive financial solutions.**

GLOBAL EXPANSION VISION

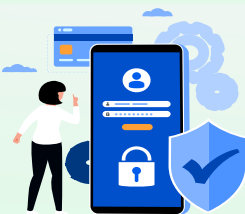

At PayToMe.co, we're revolutionizing the financial landscape, breaking down barriers for businesses of all sizes to access global markets effortlessly. With strategic alliances with top-tier banks and visionary investors, our international growth is unstoppable. **CEO Mike Ulker** underscores our dedication to scaling innovative, secure financial solutions globally, capitalizing on synergies with Stripe, Elavon, Plaid, and so on.

PARTNERSHIPS

Empowering Global Markets with Stripe Connect

The collaboration between PayToMe.co and Stripe Connect marks a significant milestone in revolutionizing payment processing across global markets.

Broadening Horizons with Elavon MSP

PayToMe.co is now an official Elavon Merchant Service Provider, offering secure and reliable payment processing solutions to businesses.

Seamless Financial Connectivity with Plaid

PayToMe.co has partnered with Plaid to offer businesses direct access to over 12,000 financial institutions worldwide via 7,000+ apps.

Commitment to Excellence with Nacha Membership

As a Nacha network member, PayToMe.co follows the highest standards in payment processing and security, guided by NACHA's electronic payment guidelines.

INTERNATIONAL BUSINESS AWARDS

PayToMe.co was awarded the **Bronze Stevie® Award** in the **20th Annual International Business Awards® (IBA)** for its outstanding contributions to the fintech industry. Recognized as the "Tech Startup of the Year" in the Services category, PayToMe.co's comprehensive suite of integrated digital financial services and solutions has transformed back-office financial processes and revolutionized digital payments.

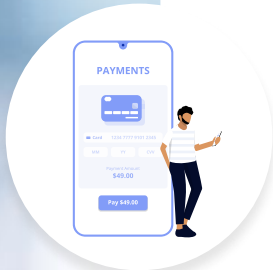

The award highlights PayToMe.co's dedication to innovation and excellence, positioning the platform as a leading innovator in the Silicon Valley startup ecosystem.

OUR CORE SOLUTIONS

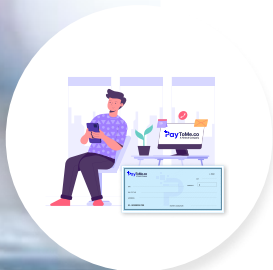

Effortless Digital Invoicing

Transform your invoicing process with PayToMe's digital invoicing feature. Create professional invoices in minutes using customizable templates.

Streamlined Text-to-Pay

Make payments effortless with PayToMe's Text-to-Pay feature. Simply send invoice links to customers via SMS, allowing them to pay with just a few taps on their mobile devices.

Digital Checkbook

Track payments, set up reminders, and automate transactions with PayToMe's Digital Checkbook. Create, customize, and send digital checks with ease.

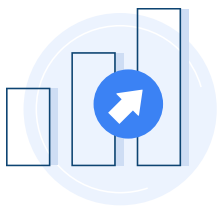

Advanced Merchant Services

From smart card readers to mobile card readers with NFC technology and modern POS machines, we offer a range of advanced tools to streamline your payment processes.

TECHNOLOGICAL EDGE

At PayToMe.co, our innovation is fueled by patented technologies and AI-driven insights, ensuring each transaction is secure.

Patented Technologies

Our proprietary technologies form the foundation of PayToMe.co, enabling us to offer unique features and functionalities that enhance user experience and drive innovation in financial services.

AI-Driven Insights

Through our advanced algorithms and machine learning, we analyze vast data sets to uncover trends, patterns, and opportunities for financial optimization.

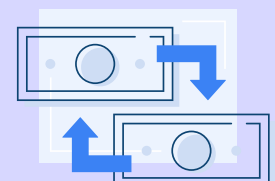

Cutting-Edge Security Measures

From advanced encryption to multi-factor authentication, we implement robust security measures at every level, including continuous monitoring, threat detection, and rapid response capabilities.

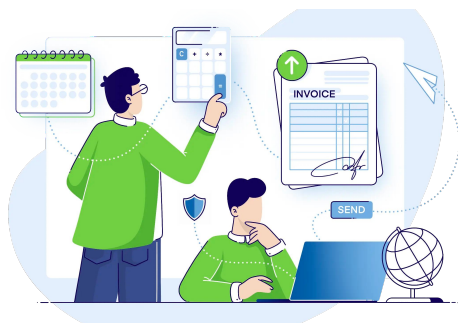

Seamless Integration Capabilities

Our Flexible APIs make integration quick and easy, whether connecting accounting software, CRM systems, or e-commerce platforms.

WHY CHOOSE US

We have developed a comprehensive suite of solutions designed to simplify your payment processes. Here's how we simplify your payments

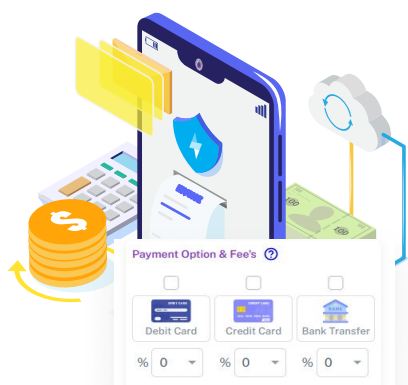

Streamlined Digital Invoicing with 100+ Ready Templates

Creating and sending invoices has never been easier with PayToMe. Our intuitive platform offers streamlined digital invoicing with over 100 ready-to-use templates.

Secure Transaction Options

Whether you prefer ACH, credit card payments, virtual cards, wire transfers, or checks, we have you covered. Our advanced security features ensure the protection of sensitive payment information.

Convenient Payment Methods

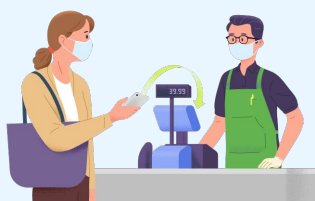

From traditional payment options like credit cards and checks to emerging digital wallets and mobile payment solutions, we support a wide array of payment methods.

Automated Reconciliation

Our platform seamlessly integrates with your accounting systems, automatically matching payments with corresponding invoices, and updating your financial records.

PAYTOME: TAILORED SOLUTIONS FOR EVERY INDUSTRY

Retail and E-commerce

Simplify your online payment gateways to integrate point-of-sale systems. PayToMe ensures a frictionless payment experience for your customers.

Hospitality and Restaurants

Manage reservations, process payments, and enhance customer experiences with our integrated systems designed specifically for the hospitality industry.

Healthcare and Wellness

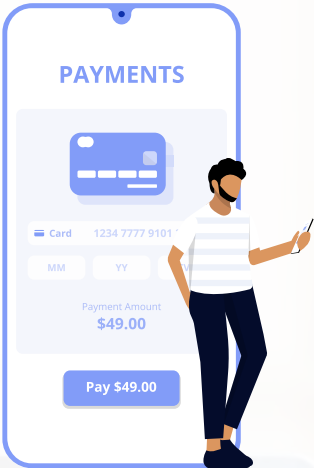

Simplify billing, streamline insurance claims, and improve patient payment experiences with our healthcare and wellness solutions.

Professional Services

Whether you're an accounting firm, consultancy, or legal practice, PayToMe offers tailored payment solutions to streamline your financial operations.
